Attention is called to the Town Ordinances published in this issue.

An up-country editor acknowledges the receipt of a black cloth coat, from one of the merchants of his town. We would like to live in his section of country.

In this issue will be found the conclusion of JUSTICE's article on the new Street, which was commenced in the last week's issue.

Will those who are indebted to us, either for subscription or otherwise, favor us with an early remittance? We dislike to "dun."

We learn that the skeleton of a white man was found in the Santee Swamp, above Wrights Bluff, about two weeks ago, by a party of fishermen.

Rev. F. Auld will deliver an address on "the Life and character of Dr. Adam Clarke," at the Methodist Church, this evening, at 8 o'clock. The public is respectfully invited to attend.

**ANOTHER RUN-AWAY MATCH.**—We are informed that another couple has been united in the bond of holy wedlock. It was a run-away match, and the parties made for the celebrated "Bridal Resort" (Branchville). This time it was a couple of saffron colored individuals. Who's time comes next?

We learn that the recently-admitted member of the Orangeburg bar, J. L. Humbert, colored, closed his speech before a jury, last week, as follows: "And may the God who delivered the Children of Israel be with you and abide with you forever. Amen."

We are not informed from what portion of the Bible he selected his text.

**MEETING.**—On next Saturday a meeting of the Taxpayers of this School district will be held, for the purpose of levying a School Tax. We would advise all Taxpayers to be present, as we do not know but that an effort will be made to open a Normal School, to suit the convenience of one or two Taxpayers.

**ACCIDENT.**—July Small, alias Sam Mitchell, a recently discharged convict from the Penitentiary, who has been loafing about town for the past week, was run over and severely injured, while attempting to get on the train last Friday night.

**MAYOR'S COURT.**—Elvira Bellinger and Isaac Whittemore, for creating disturbance in the public streets, had a hearing before the Mayor, on Thursday evening. Elvira sentenced to pay a fine of three dollars, or go to station house for five days. Isaac fined two dollars, or two days in station house.

The "Joint Final Celebration of the Dialectic and Cadet Societies," of the Virginia Military Institute, takes place on Thursday evening, July 2d.

Orators:—T. L. Cochran, of Alabama, and M. L. Spotswood, of Virginia. Our young friend, Cadet J. Adger Forsythe, will please accept our thanks for complimentary invitation.

The sixty-sixth anniversary celebration of the Euphradian Society, of the University of S. C., will take place on Thursday evening, June 27th, at 8 P. M. Mr. John P. Arthur, of Columbia, is to deliver the valedictory oration. We are under obligations to the Committee for an invitation to be present on this most pleasant occasion.

The New Baptist Church, at Walhalla, was dedicated on the 9th inst. Rev. Mr. Crimes, of Carnesville, Ga., preached the dedication sermon.

**BEHOLD! 'TIS NEAR AT HAND.**—At the last meeting of the Town Council, Alderman Oliveros offered an Ordinance which anticipated the prohibition of hogs running at large in the Streets. This section was not passed, owing no doubt to the fact that the election is near to hand, and one of the Aldermen is a candidate for a certain County office. A great portion of the hogs in town are owned by colored people. Said Alderman voted against the adoption of the Section. His Honor, the Mayor, had the casting vote, and he did likewise. Our readers may conjecture the reason.

**CRUMBS.**—The post office at this place has been made a money order office.

—The first watermelons of the season made their appearance in town, last Monday.

—Mosquitoes are making their appearance.

—The frame of the Elliott Truck House has been erected, and it is expected the building will be ready for use by the middle of next month.

—Mr. Kirk Robinson has just received a supply of "Dolly Varden" music.

—Mr. White, who is located at the Engine House, has a lot of beautiful "Singers" on hand. Inspect them.

—In the Trial Justice's court on Saturday, four cases of chicken stealing were heard.

—Col. W. J. DeTreville has returned from his visit to Beaufort.

—Henry Jones, colored, was arrested and carried to jail, last Friday, charged with "lifting" a chicken to which he had no claim.

**RADICAL POW-WOW.**—The Radical leaders attempted to get a mass meeting of those who are owned by the ring, on last Saturday afternoon; but it appears that the followers of this motley crew would "rather have a litle fun." We are informed that the meeting which was called (as we understand) by one who figured very prominently in the presentment of the grand jury at the last session of the Court, was a complete failure. The meeting was adjourned, after repeated calls to order, amid tremendous uproar and confusion. No Speeches were made. Nothing done, but meet and adjourn.

At night, the attempt was again made, but with less success than in the afternoon. There was, however, one speech made at the night meeting. Richard Duncan, Esq. made an attempt at an address; but owing to the heavy charge of tangle-foot, he was unable to ventilate his "peculyer ideas on the situashun."

**The Man Who Cheats the Printer.**

The man who cheats the printer  
Out of a single cent,  
Will never reach that heavenly land  
Where old Elijah went.

He will not gain admittance there—  
By devils he'll be driven,  
And made to loaf his time away  
Outside the walls of heaven.

Without a friend to greet him,  
Without a pleasant grin,  
The happiness that he will reap  
Will be almighty thin.

He'll have to eat the thistle  
Of sorrow and regret;  
He'll have to buck around right smart  
With cussedness, "you bet."

**Human Wrecks.**—Every day and hour we meet with broken-down specimens of humanity—wrecks that seem past hope of salvage.—At least seven-eighths of these might be filled with new vitality, by a course of Dr. Walker's California Vinegar Bitters. Many are suffering from the reaction of rum-polluted bitters or powerful minerals. It is characteristic of Dr. Walker's Great Restorative that it neutralizes the effect of these mis-calleed remedies, and accomplish in time a perfect cure.

Nature gives us Teeth, but she does not preserve and purify them. That must be done with fragrant Sododent. The dental bone and its enamel casing are made invulnerable to all destructive influences by the daily use of this beneficent preparation.

Svapnia is opium purified of its sickening and poisonous qualities. It is a perfect opium not producing headache or constipation of the bowels, as is the case with other preparations of opium. John Farr, Chemist, New York.

Over 200,000 families continue to burn Pratt's Astral Oil, and no accidents directly or indirectly have occurred from burning, storing or handling it. Oil House of Charles Pratt, Established 1770, New York. T. D. Clancy & Co., Charleston, agents for South Carolina.

PRINCIPAL OFFICE, MACON, GA.  
The undersigned having been appointed State Agents for the above Company and established the office of the Company in Columbia, invite attention to one or two of the advantages offered to them who may desire to effect insurance on their lives in a safe Home Company;  
The Board of Managers at a recent meeting, passed unanimously the following resolution:  
"Resolved, That in view of the fact that there are unusually large sums paid for Life Insurance, to the Companies of the North and East, which sums being there invested, contribute to the enrichment of those sections, whilst our own South is greatly in need of cash capital to prosecute successfully our Agricultural and Mechanical enterprises; it is ordered, that for the purpose of retaining these sums in our midst, hereafter a certain proportion of the net cash receipts from premiums, amounting to not more than 70 per cent of the same be invested in such manner as may be in accordance with the regulations of the Company, in those sections from which the said premiums are attained."  
(Signed) WM. B. JOHNSTON,  
President.  
GEORGE S. OBEAR, Sec'y.

The Financial strength of the Company places it in high rank. Its last Annual Statement shows that the Company possesses, besides its large Guarantee, \$170 for every \$100 of its liability.
